

Vacation Bible Camp

June 10 – 13

The Education Team is excited to announce this year's Vacation Bible Camp theme, "POLAR BLAST- Where Jesus' Love Is Cool". VBC 2018 will be a flurry of fun for everyone!! Children will discover that Jesus will always love them! This VBC is filled with incredible bible learning experiences kids see, hear and touch. Each night they will travel to Cool Bible Adventures, Polar Blast Crafts, Projects with a Purpose, and Frozen Fun & Games. <p><i>Projects with a Purpose</i></p>	<p>This year our campers will show Jesus' unfailing love by doing projects with a purpose. They will be making tie scarves for N.I.C.E., packing baby kits for Lutheran World Relief, and making a special banner for the church. You are welcome to bring in change each day during VBC for our "Change the World" jar. This change will be used to purchase water filters through ELCA World Hunger.</p>
